

HONS.08/007/22

**B.A., LL.B. (Hons.) DEGREE EIGHTH SEMESTER EXAMINATION,
MAY 2022**

MEDICAL JURISPRUDENCE

Time: 3 Hours

Maximum Marks: 50

Answer **ANY FIVE** questions. Each question carries **TEN** marks.

(5 x 10 = 50)

1. Discuss the meaning and scope medical jurisprudence in the Indian legal system.
2. Explain the ingredients and procedure of a dying declaration. What are the grounds for admissibility of dying declaration? How is dying declaration different from dying deposition?
3. Discuss the various ways of ascertaining age of an individual. Add a note on medico-legal importance of age 18.
4. What is exhumation? Examine its objectives, procedures and limitations.
5. Classify 'injuries'. Mention five differences between ante-mortem and post-mortem wounds.
6. Classify firearm wounds based on the range of shot. How do you differentiate an entry wound from exit wound of a rifled firearm?
7. What is asphyxia? What are the cardinal signs of asphyxia? Discuss post-mortem findings of any one method of violent asphyxia.
8. Enumerate the possible signs of injuries that can be revealed by medical examination of a victim of sexual assault. Add a note on what material evidence needs to be collected and preserved during such examination.
