

ONE YEAR LL.M. DEGREE FIRST SEMESTER EXAMINATIONS, NOVEMBER, 2023

WTO – Evolution, Structure & Dispute Resolution

Time: 3 Hours

Maximum Marks: 50

Answer All questions. Each question carry Ten marks (5 x 10 =50 Marks)

1. How far has the GATT influenced the founding and development of WTO?
2. Is the composition of the WTO truly representative of the different economies and governments around the world? Do you suggest any changes in this regard?
3. Comment on the sources of international trade law? Are they similar to the sources of Public international law?
4. “The developing and least developed countries have always been at the focus of WTO’s beneficial policies”. Do you agree or not? Substantiate.
5. Discuss the measures that are the subject of a dispute before the dispute settlement bodies of the WTO. Are these measures always evident and well made out?
6. “The panel’s contribution to the timely settlement of disputes and the general growth of international trade has been nothing short of commendable”. Analyse.
7. "Non-adjudicatory means of dispute resolution however less favoured up until now, seems to be the most productive dispute resolution methods in the future days". Do you agree?
8. “WTO with all its past glory, has shown some limitations and faced some crises in the recent past”. Elucidate.
