

HONS. 03/004/24

**B.A., LL.B. (Hons.) DEGREE THIRD SEMESTER EXAMINATION,
NOVEMBER 2024**

PUBLIC INTERNATIONAL LAW

Time: 3 Hours

Maximum Marks: 50

I. Explain any five from the following. Each question carries 4 marks.

(5 x 4 = 20)

1. Auto-limitation theory
2. Statelessness
3. Pacta Sunt Servanda
4. Hijacking
5. Corfu Channel case 1949
6. Lotus case
7. Jus Cogens

II. Answer any three from the following. Each question carries 10 marks each.

(3 x 10 = 30)

1. Who are considered subjects of international law, and how do their rights and responsibilities differ based on their status?
2. How does UNCLOS address the rights and responsibilities of coastal states regarding managing their territorial sea and EEZ?
3. How do international legal frameworks balance the rights of Asylum seekers against the obligations of state to extradite individuals accused of serious crimes?
4. What are the different types of State Succession, and how do they affect the continuity of treaties and international obligations of the predecessor state?
5. What are the key legal challenges posed by the commercialization of outer space activities, and how does current space law address issues of liability and property rights?
