

HONS. 04/004/25

**B.A., LL.B. (Hons.) DEGREE FOURTH SEMESTER EXAMINATION,
MAY 2025**

Jurisprudence

Time: 3 Hrs

Marks: 50

Answer any FIVE questions. Each question carries TEN marks.

1. Describe fact and law. Analyse legal presumptions and legal fictions where discord between fact and law arises? Do they form part of law?
2. Examine the attributes of classical natural law theory and how is it different modern natural law theory. Do you think the modern natural law theory gives real solutions to the problems created by the social conditions in the advanced society?
3. Explain the term 'source'. Elucidate and exemplify precedents as a source of law.
4. Examine the criteria adopted by theorists belonging to various schools of thought to test the validity of law.
5. Examine the concept of Ownership and what is the relevance of possession in conferring right to ownership.
6. Define Law. Examine the various functions and purposes of law.
7. Examine the significance and reflection of realist philosophy in the Indian legal system.
8. Write short notes on any two:
 - a) Law as a means of Social Engineering
 - b) Concept of Liability
 - c) Feminism and Indian legal system
 - d) Determinate formulation and principled judgment
