PART - B

COMPULSORY question. Question carries **FIFTEEN** marks.

(1 X 15 =15)

- VIII. Mr. X was a working with the Indian office of a multinational company and was reporting Ms. P who was stationed at Singapore. During the course of work Mr. X developed an infatuation towards Ms. P and started messaging to her through WhatsApp linked to her official number. Mr. X got responses and the same was in tune with the advances made by him. Nevertheless response of Ms. P towards attempts by Mr. X to talk with her over the phone in same lines was not much welcoming. This continued for few weeks and after sometime Mr. X received few photos of explicit nature of a girl barely in her teens. Mr. X got doubtful and blocked Ms. P's number in WhatsApp. Within few days Mr. X was suspended by the company and he was summoned to the local police station based a complaint lodged by the company. From the police station Mr. X learned that WhatsApp linked to the phone number of Ms. P was actually in the phone of Ms. P's teenage daughter. Analyse liability and defence of Mr. X.
