LAW OF TORTS

Answer ANY FIVE questions. Each question carries TEN marks.

(5x10=50)

1. 'Tort is a civil wrong for which remedy is an action for unliquidated damages'. Explain.
2. Explain the law relating to capacity of parties to sue under law of torts.
3. Compare and contrast the law relating to false imprisonment and malicious prosecution.
4. Who is a master and what are the conditions to determine master servant relationship? Also explain the liabilities of master for the acts of servant.
5. What are fundamental rights? Elucidate the extent to which Government may be made liable for the violation of fundamental rights in the light of relevant cases.
6. Compare the law relating to no fault liability and negligence.
7. Compare the nature of remedies available under law of torts, law of crime and under consumer protection law in cases of medical negligence.
8. Explain the maxim '*Actioperonalismoritur cum persona*'. Compare English and Indian position.
